

# Conetrol Order Form (Express)

Before ordering, please review the ordering information at the Conetrol website. We'll be able to process your order more efficiently with the following information:

1. Can you use a standard base, or do you need a ring-extending or short-ring-spacing base for short-tubed scopes?
2. What ring height do you need? (Order split rings for most scopes. Some bases require rings of two different heights.)
3. What are the proper stock numbers for your particular gun/scope setup?

CONETROL DISCOUNT: 10% OFF Retail for Two or More Complete Mounts. Standard shipping is free with prepaid orders. Texas residents should include 8.25% Retail State Sales Tax. Dealers receive the standard discount with dealer proof.

To submit this form:

- Fill it out, save it to your computer, and email it to [orders@conetrol.com](mailto:orders@conetrol.com) (we'll call for credit/debit card information), -or-
- Fill it out, print it, and mail with check to Conetrol, 10225 State Highway 123 South, Seguin TX 78155.
